My Pride and Joy

Roald and Rosalee Storvick's 1999 Continental

Here is the story of "Our Pride & Joy" our loaded white 1999 Lincoln Continental (love V-8's, especially this 32 valve double overhead camshaft engine).

For years, when I had an opportunity, I would enjoy surprising a Lincoln owner with a comment. i.e., we were both silently fueling at a gas station, I would call out loud & clear, with a big smile, "LIKE YOUR LINCOLN"!

It would lead to a pleasant short visit, "I'd like to own one like this" I'd say. Did I "want one? Yes. Did I plan to buy one? No way! Not a thought of it.

Then one day I was chatting with my son at Holiday Dodge. He is their finance manager, having been there for over 30 years, and I (and Rosie) have done lots of dealer trade drive's for them over the years. (They now own Ford Mercury Lincoln also.) I told them about this '99 Continental over at the Lincoln Dealer. Featured car, one owner, a lady bought an LS, has a Town Car in Phoenix and this one is at home in the garage all winter, 31, 604 miles, still covered by warranty.

To make a long story short, Holiday bought the car from them for us. Low price, dealer to dealer and if I would finance it with them for 5 years, 0 down 5.75% and buy the Chrysler extended warranty, then \$2,000 under book! and asked “would we do it”. Rosie and I looked at each other and asked “Did we just buy a Lincoln?”

Guess we did, wasn’t our fault! I guess “be careful of what you want, because you’ll probably get it.” They quickly washed it and handed the license and all the other details. we than took it straight to the gas station to fill it up. Guess what—a lady customer about 30 years of age at the gas station smiled and called out “NICE CAR”. I stammered a thank you and Rosie softly said to me “Guess we’ve come full circle.”

We took the first road trip we’d done for 28 years. We Headed West with a new DeLuxe Garmin navigation unit and drove 6,000 miles to places like Long Beach, Crystal Cathedral, Disney, Sequoias, Golden Gate, Sacramento, and North to Seattle.

We saw some relatives and their homes that we’ve never seen before and had perfect weather, never even drove in rain.

WOW! What a car! Our Lincoln just loved those multi lane freeways and steep, winding, mountain roads. Our Lincoln thought they were “Great Sport” and at the same time produced surprising gas mileage plus another compliment in Corvallis, OR. We just love it.

Chocolate Chip Cookies

©2001 H.MITCHELL

Ruth Wakefield

It may be hard to believe, but before the 1930s no one had ever had the pleasure of biting into a chocolate chip cookie. Why? The sweet world-famous treat had not been invented yet.

Ruth Graves Wakefield was the woman responsible for coming up with the concoction. Ruth graduated from the Framingham State Normal School Department of Household Arts in 1924. After graduation, she worked as a dietitian and food lecturer. In 1930, Ruth and her husband Kenneth Wakefield purchased a Cape Cod

September and October can be two of the best months in Minnesota. I do use the operative words “can be” as we all know the iffy weather that we often have can dash our best laid plans for a nice weekend. Usually, the bitterly hot, humid days of August are but a memory and being outside can be fun once more. There can be some really

fine days for taking your favorite older car out for a tour. If you are lucky enough to have a convertible, we may have a few low 70 degree days to drive around with the top down without having to worry about being broiled alive. Enjoy these great days, and bank the pleasant memories to bring back later, perhaps in January or February....the dog days of winter.

Speaking of dog days, Friday, August 21st, Marion, Faithie and I went over to the multi-breed dog show over at the Washington county fairgrounds. Samoyeds were being judged that day in ring 18, and Celinda Cheskawich, who we got our sweet Faithie from, was there to judge the specialty. The weather was perfect, with temperatures in the mid 60’s, a little windy, great weather for Northern breed dogs performing in the show ring. After about 60 Faithie like dogs went through their paces, we were able to spend a couple of hours with Celinda. Faithie was really excited to

see her “old mom” and made lots of happy doggy sounds and kept giving Celinda big wet kisses. Both were very glad to see each other once more. It was a good way to spend the day.

Don’t forget our annual Northstar Picnic on September 20th. Once again, we will be having it at Morrie’s conference center,

highway 12, out in Orono. See the flyer further on in this issue. With only a few more events this year, it is time to think about all of the possibilities available for 2010. If you have any suggestions for brunches or tours, please let us know. Change is good, and maybe there is a special place that you would like the club to come visit. We all welcome your suggestions.

One recent evening, while eating a chocolate chip cookie and “surfing the net”, I came across the information regarding the history of the chocolate chip cookie. And of course, Marion suggested that we print a 70 year old recipe for them. First and probably the last time that you will see a recipe grace these pages. Try whipping up a batch soon.

Till next month....

-style toll house located halfway between Boston and New Bedford, on the outskirts of Whitman, Massachusetts. The house had originally been built in 1709, and at that time it had served as a haven for road-wearry travelers. There, passengers paid tolls, changed horses and ate home-cooked meals.

More than 200 years later, the Wakefields decided to build on the house's tradition, turning it into a lodge and calling it the Toll House Inn. Ruth cooked home-made meals and baked for guests of the inn, and as she improved upon traditional Colonial recipes, her incredible desserts began attracting people from all over New England. The restaurant's popularity was not just due to its home-cooked style meals; her policy was to give diners a whole extra helping of their entrées to take home with them and a serving of her homemade cookies for dessert.

One of Ruth's favorite recipes was for Butter Drop Do cookies. As she prepared the batter one day, she discovered she had run out of baker's

happen just by accident. Be a part of it and plan for it.

The summer is over and the fall season is here, I hope the fall is warmer than the past summer was. Were you able to do any touring or car shows this summer, if not the fall is a beautiful time of the year to enjoy your Classic Lincoln. Please interact with your fellow members by calling or email them, setup a date to go for a drive, car show or just go out for lunch. We have a unique region with interesting members, fellowship and fun does not

Our August activity was a summer Pot Luck picnic in Prior Lake, at Lake Front Park, on Sunday, August 9th. We had 53 members from the North Star Region and CCCA attend.

Jack and Marilyn Fletcher from Poplar Grove, IL, drove up in their new 2009 Black Lincoln Town Car, we really enjoyed visiting with them, and these type friendships are what make the old car hobby so great. Roger Wothe was so impressed with all the great tasting food bought by our members, that he suggested that we would have a better variety of food at our Annual Picnic at Morrie's in September if we did another potluck. I think that what Roger really wanted was more of Dave Gustafson's beef brisket and Jeanine Nelson's famous pies.

Our Annual Region Picnic is **Sunday, September 20th**, at 11:30 AM, with lunch served about 12:30 PM. Roger Wothe has again made arrangements with Morrie Wagener to once again use his training and conference center located slightly west of Long Lake on Highway 12. We will again be able to view Morrie's car collection. **Your North Star Board of Directors has made the decision to change our Annual Picnic to an Annual Potluck Picnic with our Region members supplying the food. As the club is no longer buying the chicken and pork chops and other items that were previously on the menu, we will not have the AUCTION after the picnic as in prior years.**

This will provide more time for tire kicking, fellowship and viewing Morrie's great collection of classic cars. We will still have Door prizes and will do a 50 - 50 drawing for those that want to participate.

All the North Star Region members need to personally thank Roger and Barb Wothe for 14 years of buying, preparation, cooking all the good food and the other work involved in putting on our annual picnic. Roger and Barb will still host this great event, but will now have time to visit and see all the great Lincolns that come to this event. Please bring your favorite dish to pass. The Region will supply refreshments. To get everyone involved in the picnic we will need a setup and clean up crew. Please see Bob Johnson at the picnic to volunteer your help.

chocolate. She found a semi-sweet chocolate bar that had been given to her by Andrew Nestle, and so she cut it into tiny bits and added them to the dough, expecting them to melt as the cookies baked in the oven. However, the chocolate did not melt. Instead, it held its shape and softened to a delicately creamy texture. Needless to say, the cookies Ruth had created became very popular with guests at the inn, and soon her recipe was published in a Boston newspaper, as well as other papers in the New England area. Meanwhile, Nestle saw sales of its Semi-Sweet Chocolate Bar jump dramatically, and Ruth and Nestle came together to reach an agreement that would allow Nestle to print the "Toll House Cookie" recipe on its package. The agreement included supplying Ruth with all of the chocolate she could use for the rest of her life. Nestle, meanwhile, began scoring the Semi-Sweet Chocolate

August Northstar Board Minutes

BOARD OF DIRECTORS MEETING

August 6th, 2009

Regional Director Bob Johnson called the meeting to order at 6:45 PM at Culver's in Maplewood. Board members present were Bob Johnson, Harvey Oberg, Bob Roth, Bob Gavrilesco, Dave Gustafson and Roger Wothe. Member Faye Oberg was also present. The minutes of the previous meeting and the agenda of this meeting were approved.

DIRECTORS REPORTS

Regional Director Bob Johnson reviewed the up coming activities and announced that the Upper Midwest Region of the Classic Car Club of America is invited to the Potluck picnic on Sunday, August 9th. The North Star Region of LCOC will be hosting the Mid America Meet in August of 2012 rather than 2011 as previously announced. Regional Directors election will be this fall. Terms of the present Directors: Harvey Oberg, Dave Gustafson and Tom Brace will be up at the end of 2009. Ballots will be furnished with the *North Star News* this fall.

Treasurer Harvey Oberg reported the treasury balance to be \$4,514.15 with all bills paid.

Membership and Publications Director Dave Gustafson reported the current paid membership to be approximately one hundred forty-five. He has received a My Pride and Joy article from Roald Storvick, but needs more for up coming editions.

Activities: All are posted in the *North Star News*.

There being no further business, the meeting was adjourned at 7:30 PM. The next Board Meeting will be at 7:00 PM at Culver's in Maplewood on Thursday, September 3rd, 2009.

Respectfully submitted by Secretary Roger Wothe.

Many of you may be familiar with *Hemmings Classic Car*, a very fine monthly publication. In the latest issue, October 2009, six page article on the 1970 - 1974 Lincoln Continental. If this Lincoln interests you, pick up a copy of this magazine, which should be available at your local bookstore, magazine stand now. It underlines what we have maintained for years, many Lincoln models are truly undervalued, very affordable classics. These are great cars for touring and are just starting to gain acceptance at LCOC sanctioned meets, and best of all are within the price range of most entry level collectors. We don't see much in print in the mainstream press, this article is a good exception. Read it soon.

Bar, and packaged it with a special chopper for easily cutting it into small morsels. Then, in 1939, Nestle had a better idea, and began offering Nestlé Toll House Real Semi-Sweet Chocolate Morsels. The rest is "chocolate-chip" history. Ruth continued to cook up a storm, producing a series of cookbooks including "Ruth Wakefield's Recipes: Tried and True," which went through thirty-nine printings. She and Kenneth sold the Toll House Inn in 1966 to a family that tried to turn it into a nightclub. In 1970 it was bought by the Saccone family who turned it back into its original form. The Toll House burned down, however, on New Year's Eve in 1984.

We will need you to RSVP, so we know how much stuff to order. Please *CALL OR EMAIL* Roger or Barb Wothe by Thursday, September 17th, and let them know what type of dish you plan on bringing. RSVP via email rwothe@mchsi.com or call 952-473-3038. Since this is a pot luck type of picnic, if you decide to come at the last minute that is okay, just bring a dish to pass. Please remember to wear your name tags.

Our last Wednesday, Classic Car Night for the summer in Hugo, will be on September 9th at 6:30 PM. Hope to see you there, at Jason's, Bobby and Steve's Auto World, Classic Cadillac Dinner and Mobil station. Diner is 5 miles North of White Bear Lake on 35E at Hugo/Centerville exit. After dinner on August 12th we visited Brad and Carol Yoho car collection, which was about 5 miles East of Hugo, they have a great selection of classic cars, We thank Brad and Carol for showing their collection to us, even with the low turn out..

Bring your Lincoln to our 3rd Annual All Lincoln Car Show, at Luther North Country, Ford Lincoln Mercury, Coon Rapids, MN, on Saturday, October 3rd, 10:00 AM to 3:00 PM. This is a free car show with door prizes, lunch and Peoples Choice Awards for Best of Show.

We need every Region member to think about writing a "My Pride and Joy" car article for our newsletter. If you have written one in the past, maybe it is time to update that article. If you have been thinking about writing your first article, please do it NOW, we have no articles on hand for October. We need your car article; we want to hear about your Lincoln..

It is time again for you to consider being a member of our Region Board of Directors; Region election article is included in this newsletter. Please volunteer to help make our Region even better, this is your club.

As always, keep the journey continuing in our marvelous Lincolns.

.TOLL HOUSE COOKIES

½ cup brown sugar	¼ teaspoon salt
½ cup white sugar	2 Tablespoons hot water
½ cup butter or shortening	½ teaspoon vanilla
1 egg	1 economy size bar semi-sweet
1 ½ cups sifted flour	Chocolate (7 oz.)
½ teaspoon baking soda	½ cup chopped walnuts

Cut each small square of semi-sweet chocolate into four pieces. Cream butter or shortening and add sugars and beaten egg. Dissolve soda in the hot water and mix alternately with the flour sifted with the salt. Lastly add the chopped nuts and the pieces of Semi-sweet chocolate. Flavor with the vanilla and drop by half teaspoons on a greased cookie sheet. Bake 10 to 12 minutes in a 375 degrees F. oven. Makes 50 cookies

around the country asking for her recipe. Thus began the nation-wide craze for the chocolate chip cookie.

Toll House employees' account

A different history of the cookie derives from George Boucher, who was at one time head chef at the Toll House Inn, and his daughter, Carol Cavanagh, who also worked there. Contradicting Nestlé's claim that Wakefield put chunks of chocolate into cookie dough hoping they would melt, the daughter stated that the owner, already an accomplished chef and author of a cookbook, knew enough about the properties of chocolate to realize it would not melt and mix into the batter while baking. Boucher said that the vibrations from a large Hobart electric mixer dislodged bars of Nestlé's chocolate stored on the shelf above the mixer so they fell into the sugar cookie dough it was mixing, then broke them up and

Sunday, August 9th, good friends, good food and some really sweet Lincolns all came together for the Northstar potluck picnic in Prior Lake at the Lake Front Park.

The Lake Front Park features a fully enclosed, air conditioned pavilion which is the perfect place for hosting a

summer picnic, without having to worry about high temperatures, blazing sun, maybe rain or bugs which can put a damper on any outdoor event.

We were also fortunate to have

members from the Midwest Region of the Classic Car Club of America join us for this potluck. As those folks do one in February, it was a good idea to reciprocate by extending an invitation to their members for our August event. We had a few interesting non-Lincolns show up as a result. A late 1920's Cadillac, nicely restored and quite ready for it's next road trip. A couple of 1940's Cadillac's, a very nice two door sedan and Jerry Steelman's 1946

Chocolate chip cookies fresh from the oven.

Although the Nestlé's Toll House recipe is the most widely known, every brand of chocolate chips ("semi-sweet chocolate morsels," in Nestlé parlance) sold in the U.S. and Canada contains a variant of the chocolate chip cookie on its packaging, and almost all baking-oriented cookbooks will contain at least one type of recipe.

Practically all commercial bakeries offer their own version of the cookie in both packaged cooked or ready-to-bake forms. There are at least three national chains that sell freshly baked chocolate chip cookies in shopping malls and standalone retail locations. Several businesses—including Doubletree hotels, Citibank, Aloha, and Midwest Airlines -- offer

Director's Election

It is time again for you to consider being a member of our Region Board of Directors. Please volunteer to help make our Region even better, this is your club and we could use your help. The Region needs to have all members involved in the process of operating your Club. If you want to be involved and can make a commitment to attend meetings on a regular basis we need your help. Here is your opportunity to move the Club in the direction that you feel is best.

If you are able to help, please send your nomination to our Region Secretary, Roger Wothe, by September 17th. Rogers address is in our Region Directory. If you have any questions about the duties and functions of the Board of Directors, feel free to call any Board member. Harvey Oberg, Dave Gustafson and Tom Brace terms will be up and they have agreed to run again.

Our October Newsletter will include election ballot to be returned by October 16th, 2009. The election will be certified at our November 5th Board meeting, and Region officers for 2010 will be elected at the same Board Meeting.

Your participation is encouraged. It is your Club and to make it better, please become involved in the governing process.

expensive accessory, which would not gain widespread popularity till the 1960's. Also making an appearance was Tom Brace's magnificent 1937 Lincoln K. What a beautiful car this is.

Coming a long distance to attend were Jack and Marilyn Fletcher, from Poplar Grove, Illinois. Jack and Marilyn have been region members for a while and it is always good to see them at one of our events. Jack drove up in his new black 2009 Lincoln Town Car and reported that he did get the great mileage these cars are famous for, along with a ride that is like floating on a cloud. It was also good to see John and Dorothy Palmer, another long distance visitor who made the drive down from Barnum, Minnesota, which is about 30 miles Southwest of Duluth.

Our members did themselves proud, bringing a wide variety of main dishes, salads, deserts and best of all, was Jeanine Nelson's great tasting pies. In fact, we had to set up another table to handle all of the superb food that appeared. It is at times difficult to decide what our members like more, talking about their cars, or eating a great meal. That Sunday, we had the best of everything. Truly, a perfect day.

freshly baked cookies to their patrons to differentiate themselves from their competition. Additionally, there is an urban legend about Neiman Marcus' chocolate chip cookie recipe that has gathered a great deal of popularity over the years.

To honor the cookie's creation in the state, on July 9, 1997, Massachusetts designated the chocolate chip cookie as the Official State Cookie, after it was proposed by a third-grade class from Somerset, Massachusetts.

Composition and variants

Chocolate chip bar cookies

Chocolate chip cookies are commonly made with white sugar; brown sugar; flour; a small portion of salt; eggs; a leavening agent such as baking powder; a fat, typically butter or shortening; vanilla extract; and semi-sweet chocolate pieces. Some recipes also include milk or nuts (such as chopped walnuts) in the dough.

This month the Mark V Lincoln Welcome Wagon makes four stops. Please contact these new members to give them a cordial welcome to our club. Hopefully we can read more about these new members when they write a few paragraphs about themselves and their cars in the Pride and Joy columns of upcoming newsletters. Every car has a story and we all enjoy reading about and enjoy admiring the Pride and Joy of others. David Gustafson is responsible for one of the best Lincoln newsletters on the planet, but he needs and appreciates your input to continue that achievement every month!!

The first stop finds Harry and Joni Nicholson at 915 East Highland Avenue in Ottumwa, IA 52501. I called them at 641-683-9250 and a few days earlier had emailed them

at jhnicholson56@yahoo.com Harry told me just because you see a 1956 Mark II in or near Ottumwa does not mean you have found him. There are **four** Mark II's in the area of this Iowa community of 25,000. However, Harry and Joni have the only two-tone Mark II in Ottumwa which is light blue over Wimbledon white. In fact it is the **ONLY** Mark II to leave the factory with that color combination! The white interior with blue piping is a great combination. Harry and Joni both work for the Ottumwa school district; Joni is a Title I reading teacher and Harry is a custodian. From my perspective as a retired high school math teacher, Harry and Joni have two of the most important jobs in the school!

The next stop is at the home of Dave and Fran Hennen at 307 Myrick Street in LeSueur, MN 56058. I called them at 612-708-8570 and their email is ddpolish-ing@msn.com. The Hennen's email in not car related but related to the business which they started where they mould and machine parts. Dave and Fran are enjoying a recently acquired 1979 red and white Lincoln Town Coupe. They have had some high performance muscle cars in the past which were fast fun cars, but the cruising comfort of their Town Coupe

Depending on the ratio of ingredients, mixing and cooking times, some recipes are optimized to produce a softer, chewy style cookie while others will produce a crunchy/crispy style.^[3] Regardless of ingredients, the procedure for making the cookie is fairly consistent in all recipes: First, the sugars and fat are creamed, usually with a wooden spoon or an electric mixer. The eggs and vanilla extract are added next followed by the flour and the leavener. Depending on the additional flavoring, its addition to the mix will be determined by the type used: peanut butter will be added with the wet ingredients while cocoa powder would be added with the dry ingredients. The titular ingredient, chocolate chips, as well as nuts are typically mixed in towards the end of the process to minimize breakage, just before the cookies are scooped and positioned on a cookie sheet. Most cookie dough is baked, although some eat the dough as is, or use it as an addition to vanilla ice cream to make chocolate chip cookie dough ice cream.

is hard to beat. I know that from personal experience, I've had one for over 30 years.

I was enjoying my Town Coupe even before our next new member was born! When Kirk Stomberg is not working at the Koch Trucking Warehouse he is out enjoying his Lincolns. Kirk's home is at 33 Village Parkway in Circle Pines, MN 55014 and I called him at 651-894-3382. I like his

email address: hotrodrincoln1982@hotmail.com. No, he does not have a 1982 Lincoln; 1982 is the year he was born! Kirk currently has two Lincolns, a 1991 Town Car which is his "winter" car and a 1998 Mark VIII which is his "summer" car. Kirk has had other cars but is convinced that Lincolns are the BEST! Smart man! Besides both being single, and Lincoln fans, Kirk and I have one other thing in common; we have both probably seen every Lincoln internet video on YouTube. If you have not yet Googled "YouTube Lincoln" try it. There are lots of old commercials, proud Lincoln owners and at least a dozen versions of one of my favorite songs, *Hot Rod Lincoln!*

So far the Welcome Wagon has covered about 800 miles visiting our first three new members but our next member is 1200 miles away.

Should I fly to Georgia as long as I am near the airport? I think the late Floyd Homstad would have liked that - especially when I am going to visit his son, Mike Homstad at 2 Greenwood Court, in Newnan, GA 30265. I tried calling Mike at 770-251-2776 but I only got his answering machine. Perhaps Mike is in the sky somewhere since he is a pilot for Atlantic Southeast Airlines. I had tried his email earlier, mhomstad@summergrove.net, but no response. I called his mother, Carol Ann Homstad in Plymouth, MN and there was Mike, ready to take the familiar black 1962 Continental Convertible out for a cruise. The '62 has been part of the Homstad family for 34 years and as a gift to his parents, Mike had the convertible refinished about ten years ago. We were all saddened by Floyd's death, but we can all be assured that Mike will continue to preserve the '62 and the good memories we have of seeing Floyd, Carol Ann and their Pride and Joy. Welcome to the Northstar LCOC, Mike!

1939 Lincoln Zephyr 4 door sedan sheet metal only! This car has been completely disassembled and stored for over 50 years and left in a small garage in South Minneapolis. This car was sanded and primed years ago and was the unfinished dream of a fellow Zephyr admirer. I would like to sell Fords first unit-body car with sub frame, four doors, hood, deck and fenders. I have many other parts.

After January 1, 2009 I will offer all above parts and many more Zephyr parts not listed above, individually at a fair market price.

If you are restoring a Zephyr or building a Zephyr street rod and need this sheet metal, please call or email.

November Year end Brunch. Al Baker's, Eagan, MN.

December We just can't bear to think about that now... Put your feet up and catch up on your reading and dreaming. No Northstar events planned for December.

Please note: *The Northstar Lincoln and Continental Owners Club* board meetings are open to our members. We do invite you to attend and value your input in the club governing process. The directors would like your comments and suggestions on how we may improve the club and how we can make it a better experience for all of our members. We do recognize there may be an event that could be fun for us to participate in, or a tour to some little known byway or a new dining place that may just make a great experience for all to share in. Call write or email your directors today.

Northstar Activities

Year End Brunch, November 15, 2009 11:30AM

Before we know it, it will be November and time for our year end brunch at Al Bakers, in Eagan, Minnesota. Most of you have been there before, great food, good service and reasonable prices. You just can't beat Al Bakers, and that's why we go back year after year. We will have our private room as before so it will be easy to spend some time visiting with your friends at our last Northstar event of the year.

Directions

INTERSTATE 35E TO PILOT KNOB ROAD (FROM THE NORTH) GO RIGHT FOR 2 STOP LIGHTS, LEFT TO WASHINGTON DRIVE. (FROM THE SOUTH) TURN LEFT AT LIGHT AND THEN ANOTHER LEFT AT YANKEE DOODLE RD, LEFT ON WASHINGTON DRIVE. PHONE 651-454-9000.

September 9th, 6:30PM

Join us for our "**Classic Car Night**" this coming Wednesday, September 9th at Jason's, Bobby and Steve's Auto World "**Classic Cadillac Diner**" and Mobil station. The Classic Cadillac Diner has a fine menu, good service and reasonable prices. This will be a very great way to spend a Wednesday evening.

The Classic Cadillac Diner is close to Centerville and Hugo on I 35E, 5 miles North of White Bear Lake, exit 123 and one (1) block West of the freeway. Other single marquee car clubs have also been invited to join in for a night of fun and food. Call your friends that have classics and ask them to come too. Show only, no awards given out, just a good chance to visit with both old and new friends and perhaps see some interesting cars from other clubs. See you there on the 9th.

FALL NORTHSTAR LCOC PICNIC

Morrie's Conference Center

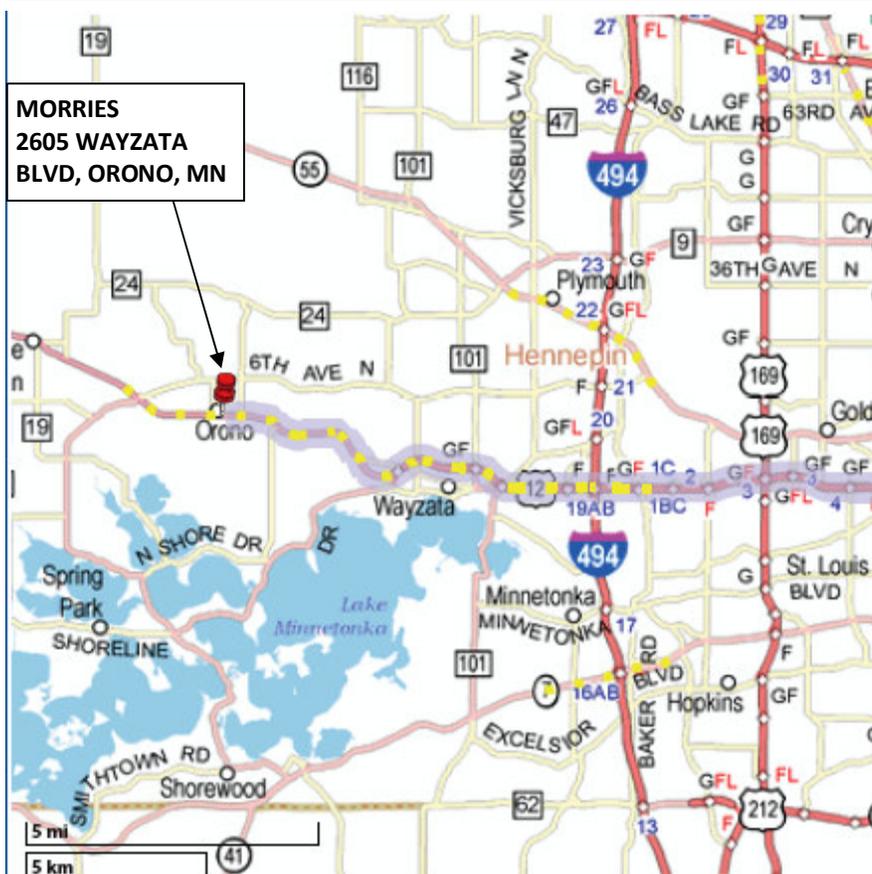

Sunday, September 20th. 11:30AM

At our pot luck Picnic in Prior Lake on August 9th, Roger Wothe was so impressed with all the great tasting food bought by our members, that he suggested that we would have a better variety of food at our annual picnic at Morrie's in September if we did another pot-luck. I think that what Roger really wanted was more of Dave Gustafson's Beef Brisket and Jeanine Nelson's famous pies.

Your North Star Board of Directors has made the decision to change our annual picnic to an Annual Potluck Picnic with our Region members supplying the food. Since we do not have to pay for the picnic food, WE WILL NOT HAVE THE AUCTION after the picnic as in the past. This will provide more time for tire kicking, fellowship and viewing Morrie's great collection of classic cars. We will still have Door prizes and will do a 50 - 50 drawing for those that want to participate.

All the North Star Region members need to personally thank Roger and Barb Wothe for 14 years of rounding up the food, doing all the preparation, spending time next to a couple of hot grilles and the rest of the work needed to put on our annual picnic. Roger and Barb will still host and coordinate this great event, but will now have time to visit and see all the great Lincolns that come to this event. Please bring your favorite dish to pass. The Region will supply refreshments. To get everyone involved in the picnic we will need a setup and clean up crew. Please see Bob Johnson at the picnic to volunteer your help.

We still will need a RSVP, so we know how much stuff to order. Please RSVP to Roger or Barb Wothe by Thursday, September 17th, email rwothe@mchsi.com or call 952-473-3038

DIRECTIONS

Highway 394/12 West.

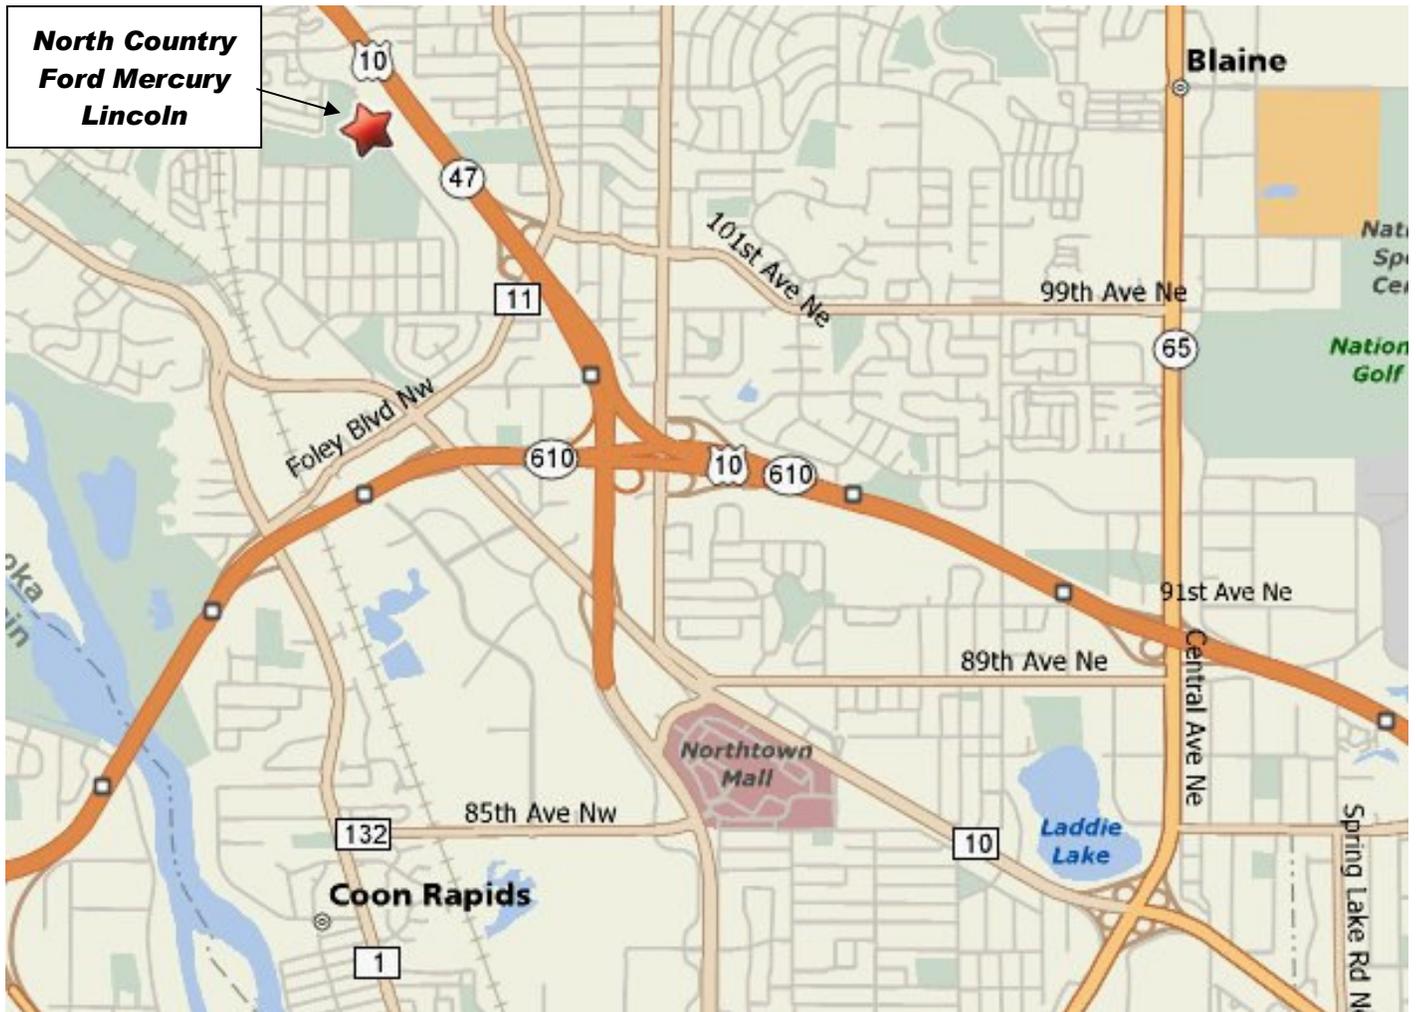

Watch for Highway 12 signs and continue on Highway 12 to Orono.

Make a U turn at North Old Crystal Bay Road and travel approximately 2/10's of a mile. Morrie's is on the South Side of Highway 12. Look for the Lincolns in the Parking Lot on the East Side of the Building.

Address: 2605 Wayzata Blvd West,
Orono, MN

If lost, call Bob Johnson's Cell-phone. 651.587.1212

FALL LINCOLN SHOW, SATURDAY, OCTOBER 3, 2009 North Country Ford Mercury Lincoln

Join us at North Country Ford Mercury Lincoln, 10401 Woodcrest Drive, Coon Rapids, for our fall All Lincoln Car Show. 10:00 AM to 3:00 PM.

We look forward to meeting some new Lincoln owners, seeing some old friends and just having a lot of fun. There will be prizes and lunch will be served by North Country. Set this date aside now. Lets get those Lincolns out for one last time this year. Prior years we had great weather and good times for this last car show of the season. Lets do it again this October 3th. See and drive the new MKT.

Call Bob Johnson if you have any additional questions. 651-257-1715
